

(Continued from pg 1)

favourite sport is playing basketball. But I am the shortest on my team.

**Jason:** When did you learn to play the guitar?

**Mr. Chu:** I started to play the guitar all by myself when I turned 16. I self-taught myself I think by downloading different materials from the computer.

**Ben:** What music do you like to listen to?

**Mr. Chu:** I love to listen to Jazz music. The beats are in different order. Jazz music is interesting because it doesn't follow a kind of rhythm and there is a lot of upbeats, like 1, 2, 3...4. The beats are all over the place.

**Yuki:** Where have you travelled? What was your favourite place that you have visited?

**Mr. Chu:** I have travelled almost everywhere in the world. Europe, Canada, South Africa, Brazil, Japan, China, Taiwan, USA. But my favourite place to visit is Japan. I love Japan because I love the food there and the noodles. Japan is my favourite place to visit.

**Suki:** What will you do during your summer holiday?

During my summer holiday, I will work in the school in my office everyday.

**Tina:** Who or what inspires you?

**Mr. Chu:** Well let's look at what inspire means. It is when something or someone teaches you a lot. Well, Steven Jobs, this man inspires me. Do you know who he is? He is the founder of Apple Computers. This guy developed the iPad and iPhone. He has a famous quote: "Stay hungry, stay foolish." Stay hungry means never feel satisfied, you should always push yourself. Stay foolish means do or keep trying to do the things that people say cannot be done.

### And now introducing an English Teacher, Ms. Wong

Ms. Wong is an English teacher here at Baptist Rainbow Primary School. She thinks English is a very interesting subject to teach because you can teach in a fun and playful way. When she teaches English, she says she sings many songs and plays many games with her students. This is Ms. Wong's 15<sup>th</sup> year of teaching. Her interests include swimming, reading books, watching TV and listening to music. She goes to church on Saturdays and Sundays. She has 5 people in her family, her husband, her two sons and her mother-in-law. She loves to read and her favourite book is about Abraham Lincoln. She feels this man was a very interesting person and therefore this kind of book all P5 and P6

students should read and get to know more about this famous person. During the summer holidays, Ms. Wong will visit Taiwan with her family because she has never been there.

### And more about Ms. Wong, our School Counselor

Taken May 5<sup>th</sup>, 2014 by Mr. Yip Math Teacher

Ms. Wong is our school social worker. She graduated from university two years ago. She likes her job because it gives her a chance to help people especially children. She worked in another school before Baptist Rainbow Primary School. She enjoys spending her time playing games with the students after school. She spends her time hiking on the weekends. Her favourite foods are chicken wings and ice-cream. She loves the colour pink. During Easter break she spent her holiday time at a Wild Camp. We students like her very much!
